

Teacher: Mtro. Edilberto Carlos López Flores      Student's name: \_\_\_\_\_

Semana del 7 al 11 de junio de 2021.

## What do you know about sharks?

Activity 1. Complete the questions. Use the *Wh-* questions in the box.

How many      When      Who      Why      Where      What

1. \_\_\_\_\_ do sharks live?

3. \_\_\_\_\_ is this?

I'm big, have sharp teeth and eat meat.  
 5. \_\_\_\_\_ am I?

2. \_\_\_\_\_ eyes do sharks have?

4. \_\_\_\_\_ does remora fish travel with the shark?

6. \_\_\_\_\_ do the sharks sleep?

Activity 2. Cut out the answers for the questions and paste them in the correct question.

<i>Because the remora helps to clean the shark by removing tiny parasites.</i>	<i>Sharks never sleep because they need to keep moving to stay alive.</i>
<i>A shark.</i>	<i>They live in the ocean.</i>
<i>Two.</i>	<i>It is a shark.</i>
